

## LED Specifier Summit

November 13th. 2019

Chicago, IL

Booth 115

Prolume will be exhibiting at the 2019 LED Specifier Summit in Chicago, IL. The Prolume team will showcase our latest product offerings and technologies capabilities for the specification community. Along with our valued channel partners, lighting designers, specifiers and architects, the company is looking forward to sharing the latest professional lighting solutions.

Feel free to contact Kasia Gordon ([kgordon@prolumeled.com](mailto:kgordon@prolumeled.com)) or Kaylee Kach ([kkach@prolumeled.com](mailto:kkach@prolumeled.com)) in advance to schedule a booth appointment to meet and discuss your specific needs.
