

LED Specifier Summit – Settle

September 25, 2018
Washington State Convention Center
Booth 109

Prolume will be exhibiting at the 2018 LED Specifier Summit in Seattle, WA. This 1-day immersion in LED lighting education and solutions is geared toward specifiers of commercial, architectural and decorative LED lighting products. The Summit helps lighting professionals stay current on the latest LED lighting trends through registered seminars and face-to-face access to leading international lighting manufacturers in a relaxed, casual setting.

Feel free to contact Ms. Elizabeth Hunt (ehunt@prolumeled.com) or Bianca Leonard (bleonard@prolumeled.com) in advance to schedule a booth appointment to meet and discuss your specific needs.
